

Karaoke Kit – Specific Things to Know

- Be sure to check the equipment to make sure it works. If not, please notify SAMMIE immediately!
- Be sure that when you promote this kit you warn patrons that during the time/date of the program it might be louder in the library area in which it will be used. This way you're being accommodating to those individuals who come to the library and expect it to be a quieter environment.
- Make sure that you set the volume at an optimal level.

Programming Ideas

- Sing off contest.
- Use it with:
 - the Instruments kit to record their own music.
 - the Lighting kit to give a stage feel to the program.
- Have teens record their own podcasts.
- Have teens practice radio announcing or record their own radio show.
